Bill,

Fred was there Friday afternoon (not sure what time he was sent there). The email soliciting watchstanders was sent out Friday after lunch. Ruth worked the Friday night shift. I worked the Saturday day shift, and then the RRCC was shut down.

Fred, Joe: Who responded and when to FEMA RRCC for Freedom. The incident occurred on the 9<sup>th</sup>, I believe that one or both of you were at the RRCC on the 10<sup>th</sup>.

This is a priority informational need by Kathy and Shawn. Thanks Bill
